Sir,

I have the honor to forward for the sanction of Government a bill for Rs. 12-8-0, required for the purchase of 5 locks for the use of the Agastéswara temple in the T. Narsipur taluk. The Amildar reports that the locks now in use were supplied in 1883 and that they are worn out and not fit for further use. Only Rs. 5-1-" are available out of the Kaniké collections in the temple. The balance of Rs. 7-7-" may therefore be met from the Rajavathe amount of the temple.

SIR,

With reference to your docket No 508/65-92 dated the 22nd October 1895, calling for explanation of the discrepancy between the amount (Rs 152-14-8) certified to by the Treasury officer on the accompanying bill and Rs 5-1-11 the amount of Kanike collections, quoted in this office letter No 400 of the 16th September 1895, I beg to state that the amounts referred to are different from each other,— the former being the amount actually available under the head "Receipts of Temples" of the institution, as certified to by the Treasury officer, and the latter the amount in deposit in the

temple under the Kanike collections.
Sanction is now solicited for taking
Rs 5-1-0 available under the said Kanike
collections, as also for utilizing Rs 7-7-0
from the Napavali amount of the temple
to make up Rs 12-8-0, the amount of the
bill, independent of the sum available
under the head "Receipts of Temples".
